

Group Term Life Insurance Coverage

Opportunity for State of Indiana Employees

Life Insurance Coverages offered by American United Life Insurance Company® (AUL)

Why do you need group life insurance coverage? If you were to die, would your surviving dependents be able to meet these financial obligations?

- Mortgage or rent
- Debt liquidation: Credit card balances and/or installment loans
- Education costs for your children
- On-going expenses including childcare, food, clothing, utilities
- Immediate financial obligations: Burial expenses, taxes, medical expenses, and legal fees

Many working Americans today are under-insured...

- The proportion of U.S. adults with life insurance protection has declined to an all-time low as 41 percent (95 million) of U.S. adults have no life insurance at all.¹
- Both men and women are less likely to own life insurance today than they were in 2004—only 61 percent of men and 57 percent of women have some sort of life insurance coverage.¹

What can AUL's Group Term Life Insurance coverage offer?

- Affordable life insurance coverage for eligible employees and their dependents
- Continuation of insurance options for events such as temporary layoff or leave of absence
- Accelerated Life Benefits (ALB) for eligible insureds and their eligible spouses.

How much life insurance do you need?

Applicants make the decision based on the amount of premium they want deducted from their paycheck and the maximum amount of coverage offered.

How do eligible employees apply?

Eligible full-time State of Indiana employees may apply for coverage under the group life insurance policy. All applications must be completed and submitted within the employee's initial enrollment period established for the employee's agency, using the State of Indiana's electronic enrollment system.

If employees do not apply for coverage during their initial enrollment period, but wish to apply at a later date, they will be required to first submit evidence of insurability, undergo medical underwriting, and receive AUL's written approval prior to receiving coverage.

Please note: Basic life insurance coverage is a prerequisite for approval of supplemental life insurance coverage. Basic life insurance and supplemental life insurance coverages are prerequisites for approval of dependent life insurance coverage.

Please contact the Benefits Coordinator within your agency for assistance with the application process. For complete terms and conditions, a copy of the contracts being offered can be reviewed at <http://www.in.gov/spd/2640.htm>.

Basic Life and Accidental Death & Dismemberment (AD&D) Insurance Coverage Features

Basic Life and AD&D Insurance coverages are being offered to eligible full-time State of Indiana employees.

The amount of basic life and AD&D insurance coverage is equal to an employee's annual salary rounded up to the next \$1,000 multiplied by 150%. The amount of coverage will change automatically according to changes in an employee's salary.

Basic Life and AD&D Insurance Premium:

Both the State of Indiana and employee share the premium cost for basic life and AD&D insurance. The bi-weekly premium rate for basic life and AD&D insurance is \$0.103 per one thousand of rounded annual salary. The monthly premium rate is \$0.149 per one thousand of coverage. The appropriate amount of premium will be deducted from the applicant's paycheck and will be shown on the applicant's payroll statements.

Supplemental Life Insurance Coverage Features

Supplemental life insurance is available to eligible full-time State of Indiana employees. Individuals must first be eligible and apply for basic life insurance coverage in order to apply and be approved for supplemental life insurance.

Employees may apply for supplemental life insurance coverage in increments of \$10,000 up to a maximum of \$150,000. Upon reaching age 65, any amount of coverage in excess of \$100,000 will automatically reduce to \$100,000.

Supplemental Life Insurance Premium:

Employees are responsible for paying 100% of the premium for supplemental life insurance. The premium for supplemental life insurance will increase as the employee enters the next age bracket. The supplemental life insurance premium rates per \$10,000 of coverage are being offered as follows:

Dependent Life Insurance

Life insurance coverage for eligible dependents is available to eligible full-time State of Indiana employees. Individuals must first select basic and supplemental life insurance in order to apply and be approved for dependent life insurance.

Definition of Dependent:

In order for an employee to apply and be approved for dependent life insurance, the dependent must satisfy the following definition beginning 1/1/2011:

“DEPENDENT” means:

- A Person’s legal spouse.
- A Person’s child, step-child, foster child, or adopted child of the Person or the Person’s spouse, or any other child for whom the Person or spouse has been appointed legal guardian or awarded legal custody by a court. A Person’s Dependent shall remain eligible until the earliest of the following dates: a) the date of marriage b) termination of the step-child, foster-child, guardianship, or custody arrangement or c) the day the child attains age 26. Notwithstanding the preceding sentence, former step-children, former foster children, children previously subject to a Person’s or spouse’s guardianship or legal custody and married children continue to be eligible to age 26, if the child is legitimately covered by the Person’s State employee group medical insurance.

- A Person’s unmarried child who is incapable of self-sustaining employment as a result of mental or physical disability and is chiefly dependent upon the Person for support and maintenance. The child must have been incapacitated prior to age 19. Extension of coverage is subject to AUL’s receiving written proof of the incapacity not later than 120 days after the maximum age is attained. A Person’s unmarried child, who attained age 19 and who met the disability criteria specified above, while covered under an eligible Health Care Policy, is also eligible to enroll for Dependent Life Insurance if proof of disability and coverage under an eligible Health Care Policy is submitted to AUL. A break in coverage under the eligible Health Care Policy cannot be for more than 63 days immediately prior to enrollment for the Dependent Life Insurance under this policy. Coverage for such child will continue until the Person discontinues his coverage or the disability no longer exists. Proof of continued incapacity shall be required not more than once each year thereafter.

Conversion and Transfer of Coverage Options:

If group basic, supplemental and dependent life insurance coverage or a portion of it ceases, insureds may be entitled to apply for an individual life insurance contract currently offered by AUL.

If an insured's supplemental life insurance coverage terminates due to termination of employment and the insured is under age 70, the insured may transfer any personal insurance existing under the supplemental life insurance policy to another group life insurance policy offered by AUL. **NOTE: The transfer of coverage privilege does not apply to and is not an option under basic or dependent life insurance coverage.**

For further information and complete terms and conditions, insureds can contact AUL or review their group life insurance contract for details as to eligibility and how to apply for these options. A copy of the contract can be reviewed at <http://www.in.gov/spd/2640.htm>

Notes: This invitation to inquire allows interested, eligible State of Indiana employees an opportunity to inquire further about group life insurance coverage and is limited in its description of the losses for which benefits may be payable. The contract has exclusions, limitations, reduction of benefits, and terms under which the contract may be continued in force or discontinued. The contract may contain a waiting or elimination period between the effective date of the contract and the effective date of coverage, and a time period between the date a loss occurs and the date benefits begin to be payable for the loss.

If a choice of the amount of benefits is offered, the amount of benefits provided depends upon the coverage selected and premiums can vary with the amount of benefits selected. If a range of benefit levels is present, the applicant is only entitled to the benefit level shown in the contract.

Actual premiums will be calculated by AUL. Premium rates do increase upon reaching certain age brackets, according to contract terms, and are subject to change.

Premium payments greater than the amount of premium owed to AUL will not result in additional coverage under AUL's contract. If premium deductions were taken for any coverage not previously approved by AUL, a refund of any earned premiums should be requested from your agency. Future payments will also not result in coverage not previously approved by AUL.

Any payable benefit is based on a percentage of an employee's covered earnings subject to AUL's approval, contract maximums, contract reductions, and according to contract terms and conditions.
